

## FEE POLICY

The Village Financial Resource Center (FRC) offers services to families and individuals at all economic levels. The minimal fixed fees listed below may be waived or reduced in circumstances of financial inability.

*No one will be denied service due to inability to pay.*

### FINANCIAL REVIEW SESSION

\$25.00 Session Fee

### CREDIT REPORT READING

\$25.00 Session Fee

### FINANCIAL COACHING

\$75 for first month; then \$50/month

### FRC ADMINISTERED DEBT MANAGEMENT FEES

Clients enrolled in the Debt Management Program (DMP) will be assessed an initial set-up fee of \$50.

The monthly fee is 9% of the amount disbursed to creditors each month. This fee will not exceed \$50 each month.

### CREDITOR CONTRIBUTIONS

Most of our funding comes from voluntary contribution from creditors who participate in Debt Management Plans (DMP). Since creditors have a financial interest in getting paid, most are willing to make a contribution to help fund our agency.

Our DMPs serve the dual role of helping clients repay their debts and helping creditors collect the money owed them.

### EDUCATION

FRC offers financial education materials, seminars and workshops to community groups, businesses, and non-profits. Please contact our Administrative Assistant for scheduling and cost of our Money Management Series or other presentations. Information about The Village Financial Resource Center is offered to groups at no charge.
