

Bryant & Kristi

Hello

We are Bryant & Kristi from Western ND. We currently have no children. Having a family is very important to both of us. We want to thank you for looking at our profile.

We know this is not an easy decision to make. We hope by looking at our book and reading about us you can be assured that we will provide a good, safe & loving home for your child. We are beyond excited and thankful to grow our family through adoption.

Bryant & Kristi

Our Wedding

We met through Bryant's cousin and connected through our easygoing personalities, big hearts and strong work ethics. We dated for 2 years and have been married for 10 years.

Bryant

BRYANT LOVES THE OUTDOORS. HE ENJOYS ALL FISHING, (ICE FISHING, FLY FISHING, PADDLE FISHING, BOAT FISHING & SHORE FISHING), CAMPING, PLAYING CORNHOLE, HUNTING, SNOWMOBILING & HIS FUR BABIES. WHEN HE IS NOT OUTDOORS YOU CAN FIND HIM WATCHING SIOUX HOCKEY OR HOCKEY IN GENERAL AND BISON FOOTBALL. IF BRYANT ISN'T HELPING FRIENDS OR WORKING, HIM AND KRISTI ARE SPENDING TIME TOGETHER. IF YOU SEE ONE YOU SEE THE OTHER.

Kristi

KRISTI ENJOYS THE OUTDOORS. SHE LOVES TO CAMP, FISH, PADDLE FISH, ICE FISH, BAKE AND SNUGGLE WITH HER FUR BABIES. SHE ALSO ENJOYS GOING TO SIOUX HOCKEY GAMES & SPENDING TIME WITH FRIENDS AND FAMILY. KRISTI IS STARTING TO GET INTO HUNTING SO HER AND BRYANT CAN DO EVEN MORE THINGS TOGETHER. SHE IS USUALLY UP TO TRYING NEW THINGS.

His Family

BRYANT IS THE YOUNGEST OF 4 CHILDREN. HE WAS BORN AND RAISED IN WESTERN NORTH DAKOTA. HE HAS 7 NIECES & NEPHEWS & 1 NEPHEW-IN-LAW. BRYANT GREW UP KNOWING THE IMPORTANCE OF FAMILY AND HAVING A STRONG WORK ETHIC.

ONE OF HIS FAVORITE MEMORIES GROWING UP IS CAMPING AND FISHING WITH HIS FAMILY, GRANDPARENTS & COUSINS. AS AN ADULT HE LOVES TO WRESTLE AROUND WITH HIS NIECES AND NEPHEWS, WATCH THEM IN THEIR SPORTS, ACTIVITIES & GROWING INTO YOUNG ADULTS.

Her Family

Kristi was born and raised in a small town in Southwest North Dakota. She is the youngest of 4. She has 1 niece and 1 furry (dog) sister. She was raised knowing the importance of family and having a strong work ethic.

One of Kristi's favorite memories growing up is visiting her grandparents in Utah. She would pick raspberries for breakfast, play with the neighbor girl, gardening with her grandma, and fishing with her grandpa. As an adult she enjoys watching her friends' kids and her nieces and nephews sports and activities. She loves to watch them grow and achieve their goals.

Our Family

This is Ali. She is 12-13 years old. She loves to be outside, loves the lake and going fishing. She has to kiss every fish we catch or she gets mad. Ali loved to play ball nonstop, although the older she gets the harder it is. She loves kids and is our protector.

This is Max. He is 11 years old. Max likes to keep to himself. He likes to snuggle with dad on the couch and mom in bed. He likes his milk in the morning. We have to keep their waterbucket in the bathtub because he loves to play in it.

This is Buddy. He is also 11. Buddy and Max are 100% true brothers, they came from the same litter. He loves to snuggle, usually only when we are sitting on the couch, but it is on his own terms. He loves to share ice cream and cereal with his mom and dad.

This is Midnight. He is 1 1/2 years old. He was found in the spare tire of Bryant's work pickup in December. He loves his sister (Ali). Max taught him to play in water. To say he loves playing in water is an understatement. Midnight loves to soak in the sun and lay by an open door.

Our Home

We live on 13.5 acres of land and have been out here for 6 years. We live 10 miles out of town, 3 miles from the highway, 1 mile from the gravel road. We have a beautiful view where we can see for miles. Most mornings we can see antelope and deer in our yard.

Home away from Home

We have a spot at the lake for our camper. During the summer when we are not working we are down at the lake. Great memories are made here with family and friends.
