

TRAINING & CONSULTING SERVICES

DEVELOPING. GROWING. LEARNING.

Today's organizations face greater challenges than ever before. Success depends not only on technical expertise but on human skills like communication, leadership, and adaptability. These abilities strengthen teams, improve workplace culture, and provide lasting value for both employees and the organization. Many organizations find the added training and development resources they need in our helpful seminars, ranging from hour-long to half-day sessions.

TAILORED TO YOU.

The goal of any training is to meet the needs of your organization. While our courses have been developed for a general audience and not specific to any industry, our team works with you to understand your goals and objectives so we can personalize the content for your organization.

- Trainings can be delivered **in-person** or **online**.
- **Interactive sessions** often include a combination of lecture, discussion, participant exercises and various visual aids, including PowerPoint slides and handouts.
- If your organization would prefer other training topics, please contact the our office to consult with a trainer regarding a **custom topic**.

START THE PROCESS.

Requesting a trainer is easy. Simply call **800-627-8220** and ask to speak to the Client Services Associate or email Training@TheVillageFamily.org. You'll want to schedule a training at least four weeks in advance, since schedules often fill up quickly. You can also book months in advance for special organizational meetings, to ensure the date is held for your team.
